

Institutional Distinctiveness

To empower the student teachers with necessary teaching and technological skills the institution emphasizes more on developing social and life skills by integrating values through the hard core papers and soft core papers. The institution also focuses on development of leadership qualities which is a significant trait to become efficient. Teachers are recognized as leaders in the class who create influence and try to refine and mould by bringing lot of transformation in their personalities. Through various co-curricular activities, we try to inculcate values which transform them to be good humanbeings.
